Advisory Council
10/14/25

- **5:30 – 5:45**
 - Advisory Council Overview
 - SACI Report
 - Mrs. Kaycee Wright, SACI Representative
- **5:45 – 6:00**
 - Pattie's Student Achievement (2024-2025)
 - Climate/Culture & Parent Engagement Current State
- **6:00 – 6:15 – Pattie's Continuous Improvement Plan**
 - Reading: If we utilize MTSS effectively, teachers will understand the individual profiles of students, and they'll provide more targeted intervention, which will lead to a 15% reduction in students (K-2) identified as "high risk" from the fall to the spring.
 - Science: If we use a specific lesson plan format, following the 5E model, teachers will use a constructivist approach and students will construct and apply their own understanding, which will lead to an 87% pass rate on the SOL.
 - Culture/Climate: If we teach, model and require students to utilize a peer mediation technique during peer conflicts, teachers will use a common conflict resolution tool and students will use the protocol to resolve their own conflicts and document their agreement, which will lead to a full point increase in the mean score.
 - Parent Engagement: If we establish and implement a targeted family engagement warning system, then we will identify and monitor families through targeted outreach, which will lead to 100% engagement of targeted families as determined by identified metrics.
- **6:15 – 6:30 - Questions and Open Comment**
- **Next Meeting: November 18th**
 - Input on topics to cover for the year?
