Principal's Report- Mr. Lucciotti

- This PTCO embraces the vision of Pattie to make memorable experiences for the students and staff. We don't believe in fund raising – public school is free for a reason. We make money that goes right back into the events that we plan and put on. Please join the Principal's Advisory Counsel (PAC), great forum and opportunity to have a voice and make a difference in decisions that are made. Great insight into how decisions are made in the county. We are required to have a rep at those meetings – please let us know if you're interested! Also please read the newsletter!
